Celebrating Independence Day - A Time to Remember and Reflect

As we approach the auspicious occasion of Independence Day, we are reminded of the incredible journey that our great nation has undertaken to attain freedom and sovereignty. This day, the 15th of August, holds immense significance in our history, and it is a time for all of us to come together and celebrate the spirit of unity and patriotism.

Celebration of 3rd year of implementation *NEP 2020*

Since the adoption of NEP 2020, KVS has been steadfast in aligning its curriculum, teaching methodologies, and infrastructure to the new policy's vision. Our educators have been working tirelessly to embrace innovative teaching approaches, promote experiential learning, and nurture critical thinking skills among our students.

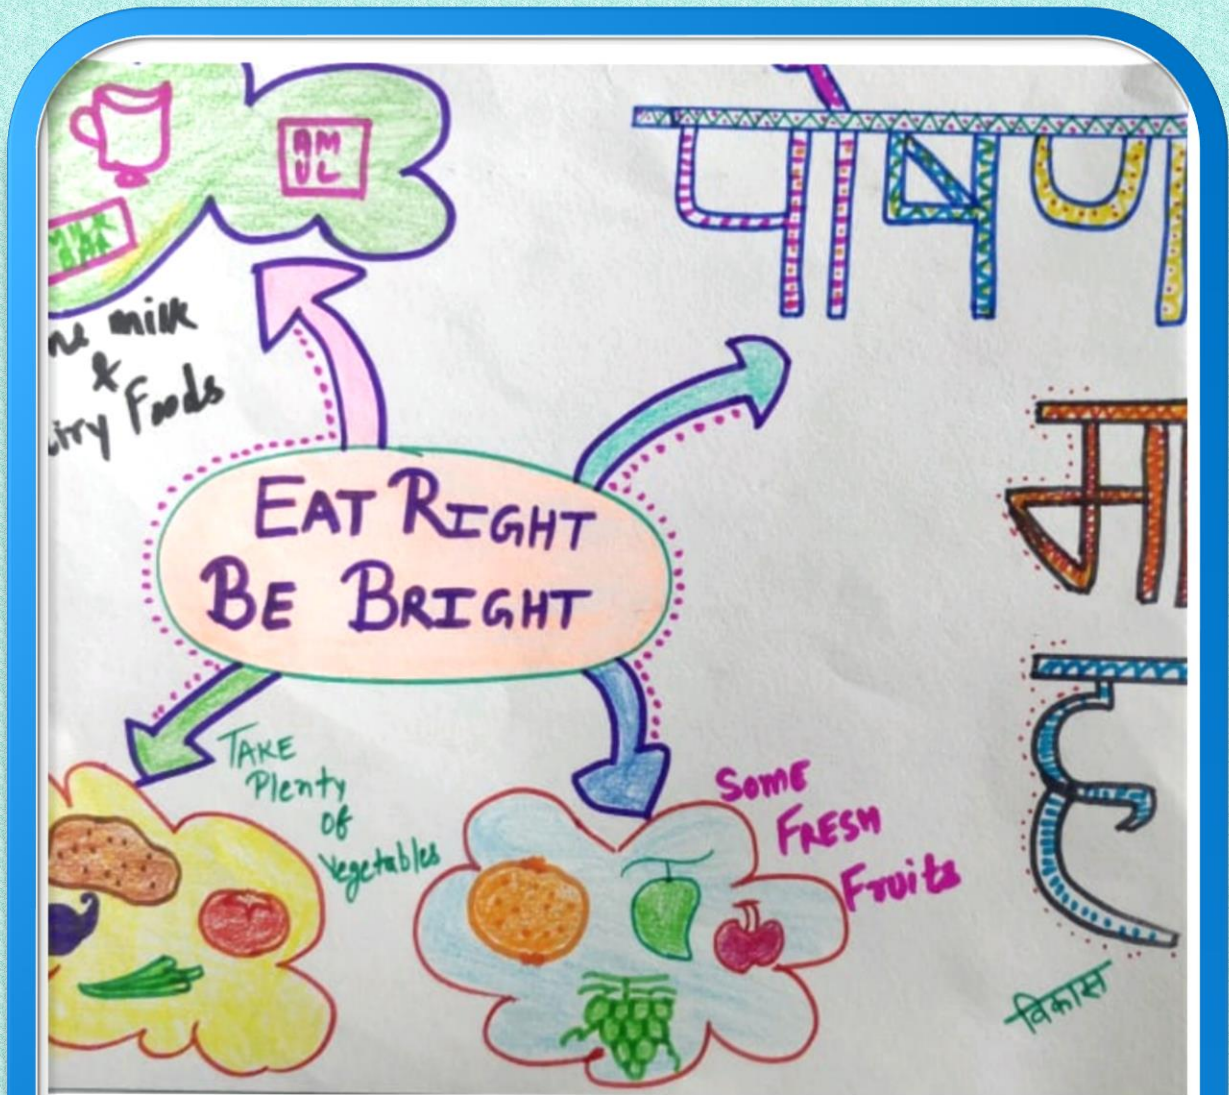

The journey so far has been a testament to the dedication of our entire KVS community - from teachers, staff, students, and parents who have actively participated in this transformation. We have witnessed remarkable improvements in student engagement, academic excellence, and overall well-being.

Poshan maah

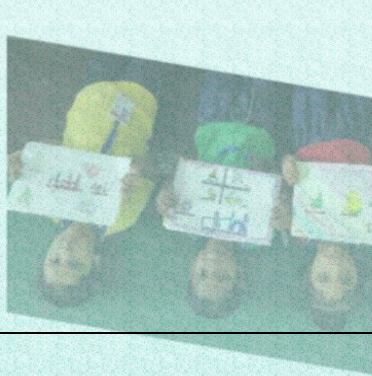

At KVS, we understand the critical role that nutrition plays in a child's physical and cognitive development. We are committed to providing a nourishing and conducive environment for our students to thrive. During Poshan Maah, our schools will be actively engaging in various activities and initiatives to educate our students about the significance of a balanced diet, the benefits of consuming fresh fruits and vegetables, and the importance of staying hydrated.

We encourage you to support us in this endeavour by ensuring that your child receives a nutritious and well-balanced diet at home. Together, we can create a healthier and happier future for our children.

"मेरी माटी मेरा देश"

"मेरी माटी मेरा देश" कार्यक्रम का उद्देश्य हमारी मातृभूमि के लिए गर्व और प्रशंसा की गहरी भावना पैदा करना है। विभिन्न गतिविधियों, शैक्षिक अनुभवों और परस्पर संवादात्मक सत्रों के माध्यम से, हमारे छात्र भारत को असाधारण बनाने वाले विविध परिदृश्यों, परंपराओं और योगदानों का पता लगाएंगे। हमारा मानना है कि व्यक्तिगत विकास और हमारे राष्ट्र के प्रति जिम्मेदारी की भावना को बढ़ावा देने के लिए अपनी जड़ों को समझना आवश्यक है। यह पहल छात्रों को अपने परिवेश से जुड़ने, टिकाऊ प्रथाओं के बारे में सीखने और अपने साथी नागरिकों के साथ एक मजबूत बंधन विकसित करने के लिए प्रोत्साहित करेगी।

Health is Wealth

The health and well-being of our students are of utmost importance to us, and this initiative reflects our commitment to ensuring their physical fitness and overall health.

The Medical Checkup Camp will provide an opportunity for our students to undergo comprehensive health assessments, including general medical examinations, vision tests, dental checkups, and more. Our aim is to detect any potential health issues early on, ensuring that our students receive the necessary care and support for their well-being.

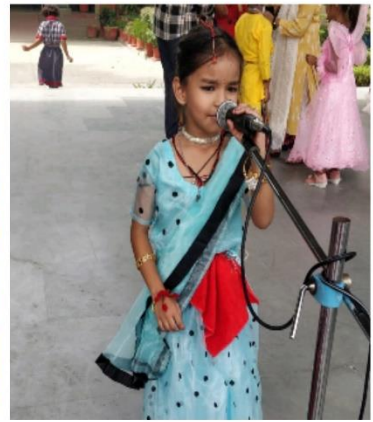

Janamstmi celebration

Our Janmashtami celebration included various activities and events, such as cultural performances, bhajan recitals, and storytelling sessions that revolve around the life and teachings of Lord Krishna. We encourage students to participate actively and immerse themselves in the spirit of this auspicious festival.

This celebration not only allows us to embrace our cultural heritage but also provides an opportunity to instill values of love, compassion, and wisdom in our students, just as Lord Krishna embodied.
