**Mr. B.P. Singh**  
Principal  
KV Muzaffarnagar

## **From the desk of Principal Sir**

**“It gives me immense pleasure to present Primary wing newsletter before you. Primary wing newsletter is a mirror of Primary wing activities which presents a panorama of Vidyalaya and highlights the talents, feelings and thoughts of budding stars.**

**Students, you are the assets of our country. The future of India lies on your shoulders, you should achieve your goal and establish in such positions, so that your parents, teachers and principal feel proud of you.”**

**Jai Hind**

**B.P. Singh**

## Message from Vice Principal Sir

**It gives me immense pleasure to present the newsletter of Kendriye Vidyalaya Primary Wing (SII). It's a window to the teaching learning process and associated activities of Vidyalaya. The newsletter is a reflection of efforts of our tiny tots as well as our learned teachers, I congratulate students as well as teachers associated with this newsletter and my best wishes for their future endeavors.**

**Rajeev Kumar Mahajan**

## HM/IC Message

न्यूनतम साझा कार्यक्रम समाचार पत्रिका के प्रकाशन पर बहुत हर्ष की अनुभूति हो रही है। इस पत्रिका के माध्यम से विद्यालय के नन्हे कलाकारों को अपनी प्रतिमा दिखाने का अवसर मिलता है। यही नन्हे कलमें भविष्य के बड़े कलाकार भी बन सकते हैं। यह पत्रिका प्राथमिक विभाग की क्रियाकलापों और उपलब्धियों का आइना भी है। मैं प्राथमिक विभाग की ओर से प्राचार्य महोदय का धन्यवाद

करती हूँ जिनके मार्गदर्शन से इस पत्रिका का प्रकाशन संपन्न हुआ।

स्वाति रूहेला

प्राथमिक प्रभारी

Visionary

Mr. Vikas Arya, Prt

Children, who begin their education in primary schools with strong foundational competencies, grasp advanced competencies faster. Hence this beginning must be smooth and comfortable in Grade-1 leading to better adjustment with the school education system and the school education system and the process of learning.

## Parvesh Utsav in our Vidyalaya

# G20 NEP Online Workshop

**Ensuring foundational literacy and Numeracy Especially in the context of blended learning.**

# International Yoga Day

We can achieve a higher level of concentration through yoga and it enhances our social well-being. Students can develop self-discipline and self-awareness from yoga if it is done regularly.

# Learning by doing

# Different activities in school

Thanks

KVMAN (S)
